Platypi Designs has partnered with Just Fix It to provide our clients a “Go to” option for IT support. JFI concentrates on the needs of small organizations and specializes in preventing crisis situations by proactive maintenance. If you would like to explore this opportunity and take advantage of the Platypi arranged discount, see below:

Get started in 3 easy steps:

- 1) Contact Kris Shoemaker from Just Fix It to set up an account at:
1 866-349-8447 x115 (Client services).**
- 2) Receive instruction on how to contact JFI’s helpdesk team for IT support assistance.**
- 3) Set up an opportunity for JFI to map your IT environment and discuss your needs.**
